Date: 16.04.2021

Addendum

Guidelines of Repeat-2 Examination for B.A.LL. B (Hons.) Current and Ex-Students of Batch 2013-2018, 2014-2019, and 2015-2020

The APC and ECC members met and deliberated on the appeals of students for allowing them to repeat the project component of any uncleared paper or backlogs due to non-submission of projects in their respective semesters which was allowed in the past as a separate component. Though such appeals lack any validity under continuous assessment scheme, the University decided to give a one-time opportunity to the continuing and Ex-students of Batch-XIII, XIV & XV to submit their backlog projects.

The earlier announced guidelines will be applicable for those who are permitted under this scheme and the timelines will be the same as announced in the guidelines dated 12th April 2021.
