## CONFERENCE THEME

Hidayatullah National Law University Raipur in collaboration with Taxmann Publications is organizing a two-day National Conference on “*Calibrating Corporate Governance in New Economy*” on 30-31 October 2021. Corporations play a significant role in shaping and improving economic outcomes through their strategic decision-making in the global market. Such decisions impact the domestic and international business in varying degrees, hence the role of these transnational entities assume a significant role in world trade. National divergences in the context of socio-economic development and regulatory mechanisms produce different types of domestic patterns in terms of forms and functioning of business organizations. Even so, Corporate Governance standards and procedures are considered indispensable for economic growth and social development across the world. The Companies Act, 2013 and its latest amendments together with the connected regulatory reforms have broken through a new era of Corporate Governance in India.

In this backdrop, the present conference is intended to provide a platform to discuss and deliberate the theme in detail during the technical sessions followed by the **Round Table Discussions** being chaired by Partners of reputed firms, academicians, and other key professionals.

## OBJECTIVES
