Message from the Vice-Chancellor

As the Vice Chancellor of HNLU, it is my great pleasure to introduce the graduating class of 2024 from Hidayatullah National Law University, Raipur, to the potential recruiters.

During their four years at HNLU, this batch has received a holistic education that prioritizes critical thinking, problem-solving, and professional ethics. Their exposure at HNLU included lectures, case law analysis, simulated moot court sessions, practical experience through internships, additional credit courses, and engagements with specialists in law and policy administration.

The current batch braved the pandemic blues with determination and grit and continued their campus education for the last 1+ years, catching up the lost opportunities. They have gained valuable hands-on experience through internships at top law firms, think tanks, international organizations, senior litigators, NGOs, and the higher judiciary, which has given them a comprehensive understanding of the legal system.

Additionally, this batch has excelled in moot court competitions, ADR competitions, and parliamentary debates, earning numerous awards and accolades for their efforts.

We invite you to visit our vibrant campus and engage with these talented and ambitious students. They have enriched our institution, and we are confident that they will make a significant contribution to the growth of the legal profession and your institution as well. 1

PRE-PLACEMENT TALKS

Recruiters are encouraged to conduct Pre-Placement Talks (PPT) for interested students in the University giving important information such as the profile of the organisation, career prospects, compensation packages, etc. These PPTs can be conducted at any time before the Pre-Interview Screening.

2

PRE-INTERVIEW SCREENING PROCESS

Recruiters can conduct a Pre-Interview Screening Process including group discussions any time before the interview day. Recruiters are free to determine their own policy for the Screening Process to shortlist students.

In case the Recruiter has no particular method of Pre-Interview Screening, the curriculum vitae of all interested students shall be forwarded to the Recruiter.

3

FINAL INTERVIEW

The Recruiter shall formulate a Final Interview List subsequent to the completion of the Pre-Interview Screening Process and the same shall be communicated to the RCC at least 48 (forty-eight) hours prior to the interview along with the list of waitlisted candidates.

In case any Applicant who is selected in the Final Interview List is not available for the interview, then the Recruiter can interview the waitlisted candidates instead, if the Recruiter considers this appropriate. In case the Recruiter has no procedure for Pre-Interview Screening, the list of interested students shall automatically become the Final Interview List.

4

DISCLOSURE OF OFFERS

The results will be declared simultaneously by the RCC at the end of the day to ensure that no recruiter is prejudiced. The Recruiters will be required to disclose the results of their Final Interviews and any Offer made to Applicant(s) only through the RCC which will be communicated in a sealed envelope.
