About

The Previous Editions

The fourth edition of Hidayatullah National law university's International Model United Nations (HNLU IMUNC) saw a huge turnout of over 250 delegates who gained insight into the working of the United Nations and Lok Sabha and the dynamics of national and international relations by assuming the roles of UN representatives and members of other international bodies and national cabinets.

The last edition was an exciting opportunity for students to debate issues that confront world leaders such as the treatment of Uighur Muslims in China and Reconciling the Right of Data Privacy with Global Security and to draft resolutions in response to these global issues. Participants developed their abilities to work with others who are equally motivated and passionate about the topics of debate and to respond to global concerns.

The 2020 edition also saw a special UN committee on the status of women along with other committees like the UN General Assembly, UN Security Council, UN Human Rights Commission and Lok Sabha. The event was organized in collaboration with UNICEF and several other global and local brands.

IMUNC 2020 was spread over a span of three days having performances from The Local Train, DJ Pasha Doll and DJ Siana Cathrene.
