Message from the **VICE-CHANCELLOR**

Welcome to the 2024 edition of the International Model United Nations - Youth Parliament (IMUN-YP)!

Hosted by Hidayatullah National Law University, IMUN-YP stands as a premier event aimed at encouraging students from across the country to engage in critical discussions on global, national, and state-specific issues. We are proud to bring you the seventh edition of IMUN-YP, providing a dynamic platform for participants to showcase their diplomacy and argumentation skills as they debate significant topics at both global and national levels.

This year's theme, "संवादय नेतृत्वम्" (Samvādāya Netritvam), which translates to "Leadership through Dialogue," emphasizes the power of communication in leadership. It reflects the belief that true leadership is not about exerting dominance but is instead founded on collaboration, active listening, and mutual respect. Our goal is to inspire participants to engage in constructive dialogue, embrace diverse perspectives, and seek solutions that prioritize conversation as the path to resolving complex global issues.

For this edition, we have carefully curated a set of agendas designed to stimulate critical thinking and challenge participants to demonstrate their diplomacy skills. IMUN-YP 2024 will feature six committees, each tasked with addressing significant topics that are crucial in shaping the future of our world. These committees are:

1. **United Nations General Assembly (UNGA)**
2. **International Court of Justice (ICJ)**
3. **United Nations High Commissioner for Refugees (UNHCR)**
4. **Lok Sabha**
5. **Chhattisgarh Vidhan Sabha**
6. **International Press**

We are excited to embark on this intellectual journey with you, where ideas converge to create impactful solutions. IMUN-YP 2024 promises to be a space for knowledge exchange, diplomacy, and personal growth. Prepare yourself for thought-provoking debates, opportunities to build new connections, and the chance to make a real difference in the world.

Let the discussions begin! We hope your experience at IMUN-YP 2024 is enlightening and transformative, as together we strive for a better, more collaborative future.

Message from the **SECRETARY GENERAL**

As the world continues to face unprecedented challenges, the need for forums that encourage dialogue, cooperation, and innovative problem-solving has never been more urgent. The 7th edition of the International Model United Nations Youth Parliament (IMUNYP) stands as a testament to the power of diplomacy, a platform where future leaders converge to shape ideas, explore perspectives, and address some of the most pressing global and domestic issues of our time.

This year, IMUNYP brings together a diverse group of young minds from across the country, united by a shared commitment to the values of diplomacy, leadership, and collaboration. With six dynamic committees, each addressing key geopolitical, legal, and social concerns, participants will have the opportunity to engage in nuanced discussions, propose pragmatic solutions, and deepen their understanding of the complexities of governance and international relations.

The beauty of IMUNYP lies in its ability to gather individuals from various backgrounds, all bringing their unique insights and perspectives to the table. Whether you're debating the geopolitical instability in the Middle East, exploring the legalities of international law, or navigating through the intricacies of domestic policy, this forum serves as a space for open discourse, critical thinking, and above all, mutual respect.

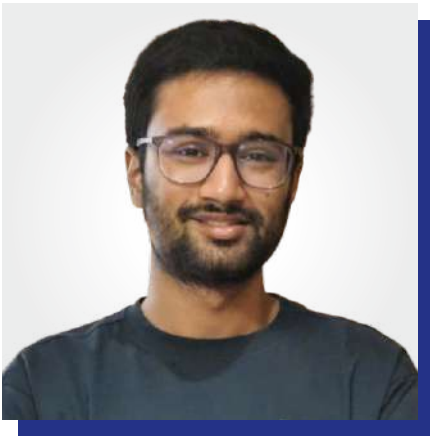

I am confident that this year's edition will be a milestone in our journey, not only in terms of the quality of debate but also in the connections and camaraderie fostered among participants. Message from the **DIRECTOR GENERAL**

It is with immense pride and enthusiasm that I welcome you all to the 7th edition of the International Model United Nations Youth Parliament (IMUNYP), hosted by Hidayatullah National Law University. Over the years, IMUNYP has grown into a platform that fosters vibrant debate, thought leadership, and diplomatic engagement. Each edition has brought with it fresh perspectives, innovative ideas, and remarkable success, reflecting the passion and dedication of its participants. With every iteration, we have raised the bar, evolving not only in the depth of discussions but also in the scope of our committees and the diversity of participants.

This year, we continue to build on that legacy with six dynamic committees, each addressing critical global and domestic issues. The United Nations General Assembly (UNGA) will be engaging in discussions on the geopolitical instability in the Middle East, with special emphasis on the Israel-Palestine conflict. The International Court of Justice (ICJ) will deliberate on the possible application of the Convention on the Prevention and Punishment of the Crime of Genocide in the Gaza Strip (South Africa v. Israel). The United Nations High Commissioner for Refugees (UNHCR) will focus on the situation of Internally Displaced People, particularly emphasizing the plight of Kashmiri Pandits. On the domestic front, the Lok Sabha will deliberate upon matters relating to the Waqf Board (Amendment) Bill, 2024, while the Chhattisgarh Vidhan Sabha will address the Freebie Culture in Governance. The International Press Committee will play a pivotal role, observing and reporting on the proceedings, capturing the essence of diplomacy and debate, and ensuring that the voices of the committees resonate beyond the conference rooms.

As Director General, it is my privilege to oversee this platform, where future leaders will come together to not only voice their opinions but also listen, learn, and evolve. I encourage all participants to embrace this opportunity with an open mind and a passionate spirit. IMUNYP is not just about debate; it is about understanding the nuances of global governance, diplomacy, and leadership.

I am confident that this edition will continue to uphold the standards set by previous ones while pushing the boundaries of intellectual and diplomatic engagement. Let us make this edition a memorable and impactful one.

Best wishes,

Parth Tamaskar
Director General

About The Previous Editions

The sixth edition of Hidayatullah National law university's International Model United Nations (HNLU IMUNC) saw a huge turnout of over 250 delegates who gained insight into the working of the United Nations and Lok Sabha and the dynamics of national and international relations by assuming the roles of UN representatives and members of other international bodies and national cabinets.

The last edition was an exciting opportunity for students to debate issues that confront world leaders such as the treatment of Uighur Muslims in China and Reconciling the Right of Data Privacy with Global Security and to draft resolutions in response to these global issues. Participants developed their abilities to work with others who are equally motivated and passionate about the topics of debate and to respond to global concerns.

The 2020 edition also saw a special UN committee on the status of women along with other committees like the UN General Assembly, UN Security Council, UN Human Rights Commission and Lok Sabha. The event was organized in collaboration with UNICEF and several other global and local brands.

IMUNC 2020 was spread over a span of three days having performances from The Local Train, DJ Pasha Doll and DJ Siana Cathrene.
