**Dear Students of 2<sup>nd</sup>/3<sup>rd</sup>/4<sup>th</sup> & 5<sup>th</sup> Years,**

The Academic Support Committee has submitted a request seeking the postponement of the reopening of the new academic session from 13<sup>th</sup> July 2026 to 23<sup>rd</sup> July 2026. The Administration, after due consideration and keeping in view the mandatory academic working days and class requirements, has conveyed that such a request may be examined subject to the following conditions:

1. That the responsibility for obtaining the consent of all students (Second year to the Fifth year) to join the University campus from 21<sup>st</sup> July 2026 onwards for the academic session 2026–27 (July to November) shall rest with the Academic Support Committee.
2. That University will start providing hostel facilities, including Mess, to the Second year to the Fifth-year students from 21<sup>st</sup> July 2026 onwards, and the students will be permitted to stay in the hostel only after 21<sup>st</sup> July 2026 onwards.
3. That University shall also stand indemnified against any liability arising out of travel costs, including cancellation charges of any pre-booked tickets.

Subsequently, the Academic Support Committee, after internal consultations with students of the concerned batches, informed the Administration that a significant majority of students (95%) are in favour of postponement of the reopening. Taking note of the broad consensus expressed by the Academic Support Committee on its constituents, and upon further consultation, the Dean UG, Dean PG, Dean Student Welfare and Convenor, Academic Planning Committee, have taken the consent of the competent authority to defer the reopening of the University from 13<sup>th</sup> July 2026 to 23<sup>rd</sup> July 2026.
